- Website Structure

A website is usually divided into several main sections:

```
<header>
  <nav>Navigation bar</nav>
</header>

<main>
  <section id="hero">Hero section</section>
  <section id="skills">Skills section</section>
  <section id="projects">Projects section</section>
  <section id="contact">Contact section</section>
</main>

<footer>
  Footer
</footer>
```
